Freelance job Experience

01 Jan-31 Jan

Food Innovation Club

Digital marketing

Highly adaptable freelance professional with a strong focus on client communication and inventory management. In just one month of working on a freelance project, I gained valuable skills in effectively contacting clients and managing product stock.

Volunteer Experience

2023-Present

Good Deeds Day Cambodia

Good Deed Day is a nonprofit organization dedicated to promoting acts of kindness, generosity, and love within communities. Our primary focus is on facilitating donations and organizing charity initiatives to create a positive impact on individuals and society as a whole.

09th-10th Sep 2023

CAMBO JOB Career fair

a member of the Audience Crew at the Cambo Job Career Fair, my primary focus is on ensuring an exceptional experience for the job seekers attending the event. my role involves providing assistance, guidance, and support to individuals looking for employment opportunities.

03rd-04th-05th Nov 2023

TAG - TECH ANIME GAME EXPO 2023

As a Stock Control and Audience Management team member at TAG - TECH ANIME GAME EXPO 2023, my role is essential in ensuring a smooth event experience for attendees and exhibitors alike. By overseeing stock management, monitoring systems, and managing the audience, This opportunity aligns perfectly with my IT major, allowing me to improve my soft skills while being immersed in the world of technology, games, and anime.

08th-11th Aug 2023

2023 UNESCO UNITWIN DIGITAL TRAINING

Participated in the 2023 UNESCO UNITWIN Digital Training program, focusing on digital skills development. The training provided comprehensive instruction on AutoCAD design software and robotics. The program facilitated valuable networking opportunities with participants from Korea, including esteemed Korean professors.
